SU Network manages all advertising, promotional, sponsorship, and fundraising opportunities at Bedford Student's Union. This pack outlines the opportunity to participate in Bedford and Luton's Freshers Fair, taking place in September. The event provides a valuable platform to establish an on-campus presence and directly engage with an audience of over 2,000 new and returning students.

To further enhance your brand's visibility, additional exposure can be secured through our range of curated media packages, which complement your presence at the fair.

We invite you to explore the following pages to discover how your business can become part of this high-impact student engagement opportunity.
