SU Network manages all advertising, promotional, sponsorship, and fundraising opportunities at 13 exclusive student unions and 15 commission student unions.

This pack outlines the opportunity to participate across all our refreshers fairs, taking place in January/February. The event provides a valuable platform to establish an on-campus presence and directly engage with 60k students across the UK.

To further enhance your brand's visibility, additional exposure can be secured through our range of curated media packages, which complement your presence at the fair.

We invite you to explore the following pages to discover how your business can become part of this high-impact student engagement opportunity.
